Day

 9:00 – 9:45 Keynote Speech

Recent Challenges in Human Authentication: Beacons for the Future

Speaker: Thirimachos Bourlai, PhD, University of Georgia, USA

🕒 9:45 – 10:30 | Panel

Legal aspects and business trends in biometrics

About:

Biometrics is a key technology for various area. It has also legal challenges that we are facing. What are the most important legal challenges from the European perspective? We see biometrics are used in many business models as well as in the area of public services. What are the trends in biometrics, where the technology is already used and where will be used in the nearest future? What are the key challenges from technology perspective? Are we ready to implement solutions from society (so massive) perspective?

 9:45 – 10:30 | Panel

Legal aspects and business trends in biometrics

Chair:

Marcin Czugan

CEO, Association for Financial Companies in Poland (ZPF)

Participants:

Jan Szajda

CEO, Identt

Krzysztof Biernacki

CEO, Digital Gateways

Michał Łukasiewicz

*Director, Office of Antifraud
Systems, BIK Group (online)*

Salih Ismail

*Program Coordinator, School of Science
and Engineering*

 10:30 – 11:30

Biometrics Start-up zone

Start-up Speakers /Representatives of many different start-ups will present the idea of their companies that uses biometric systems in many ways (each Start-up will have 10 minutes for the presentation).

 10:30 – 11:30

Biometrics Start-up zone

Chair:

Thirimachos Bourlai, PhD
University of Georgia, USA

Barbara Mróz-Gorgoń, PhD
UEW, Global Biometrics Council

Participants:

Jan Szajda
CEO, Identt

Michał Konopka
CEO, AIS Gateway, Poland

Daniel Jarzab
CEO, PayEye

🕒 11:30 – 12:15 II Panel

Future of Biometrics - Finance sector approach

About:

Experts and Representatives of finance sector (banks, firms, companies and other organizations of finance sector) will discuss about the biometrics chances and threats and opportunities.

 11:30 – 12:15 II Panel

Future of Biometrics - Finance sector approach

Chair:

Barbara Mróz-Gorgoń, PhD
UEW, Global Biometrics Council

Participants:

Kris Slotwinski,
CSO BNP Paribas Bank Polska S.A. (online)

Michael Sobczyk
Head of Dubai, PayEye

Daniel Atkins
*CEO - Transnational Academic Group, Curtin
University Dubai's Education Management
Services Provider*

Dr. Fawaz M. Habbal
President of Geminos Group

 12:15 - 13:00 III Panel

Biometrics – the scientific approach

About:

Presentations of original papers. Panelists (scientists and researchers) will discuss the latest issues referring to their scientific papers in the field of biometrics.

 12:15 - 13:00 III Panel

Future of Biometrics - Finance sector approach

Chair:

Mateusz Trokielewicz, PhD

Warsaw University of Technology, Poland

Participants:

Thirimachos Bourlai, PhD

University of Georgia

Barbara Mróz-Gorgoń, PhD

UEW, Global Biometrics Council

Anna Tarabasz PhD

Curtin University Dubai

Adam Sulich, PhD, prof. UEW

Schulich School of Business, York University, Toronto (online)
